THE ORIGINAL MINI REBORN.

The MINI Hatch is our original icon, because it's where it all began. It's the car that helped us discover our love of corners and still inspires our passion for go-kart handling. From the 1964 Monte Carlo Rally to now. And the story continues with the latest MINI Hatch range. Cars that can spark a smile before you even set off. Designed to make life a whole lot brighter. Built to stand out. Break routine. And shake off those shackles.

Wherever 2023 takes you, let the MINI Hatch help you find the way.

3 OR 5 DOORS.

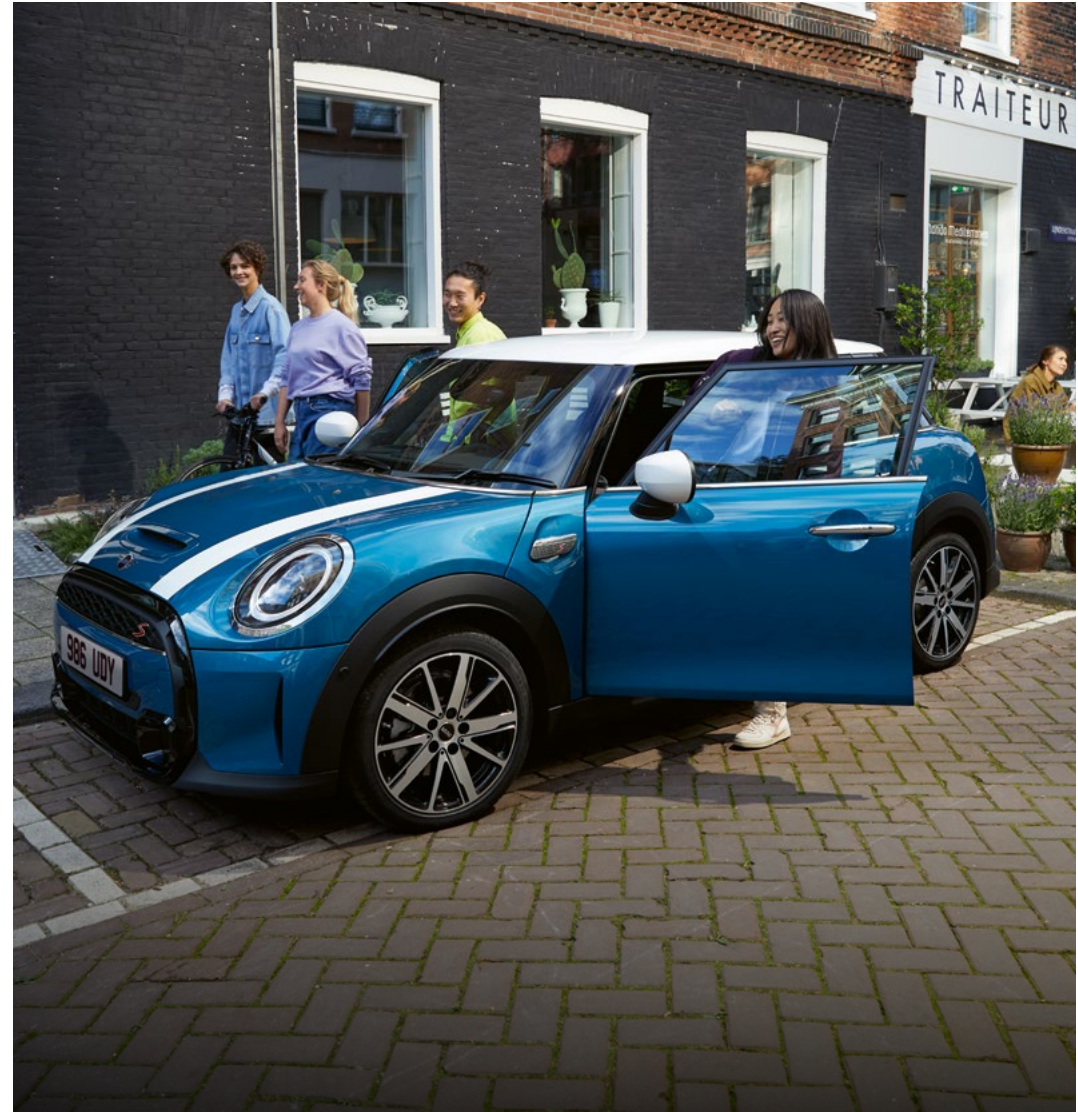

BECAUSE WE LOVE GO-KART HANDLING.

The MINI 3-door Hatch is a true trailblazer. Committed to standing out from the crowd, it's expressive and self-assured – the choice for unconventional types. The MINI Hatch is made to enjoy urban life to the full. Compact on the outside, with short overhangs, it has a small turning circle which is handy for nimble manoeuvring in the concrete jungle, and offers room for four people.

BECAUSE WE LOVE 5 X THE FUN.

The MINI 5-door Hatch is 16 centimetres longer than the 3-door and has two extra doors which open up unexpected opportunities: five seats, noticeably more legroom in the back and 30% more luggage space. Ideal for the city, the sporty go-kart feeling makes it fun to drive around tight corners and helps you make your own way through narrow lanes and heavy traffic.

ENJOY THE GO-KART FEELING.

CHOOSE YOUR PERFORMANCE.

COOPER

A 1.5 litre 3-cylinder petrol engine (136hp / 100kW) offers a handy blend of power and fuel economy. It hosts a safety bar hidden behind a body colour panel, and a tailgate handle.

COOPER S

To really take things up a gear, climb aboard the MINI 3-door or 5-door Hatch Cooper S. Under the bonnet it boasts a 2.0 litre MINI TwinPower Turbo 4-cylinder petrol engine that generates 178hp / 131kW. The air intakes in the front bumper, the air scoop in the bonnet and the central twin exhaust tailpipe all hint at the power waiting to be unleashed on the road.
