

PULSE RACING.

THE JOHN COOPER WORKS PRO MINI KIT RANGE.

GENUINE MINI KIT.

BLAZE A TRAIL.

The John Cooper Works Pro MINI KIT range reinforces MINI's sporting heritage, combining over 50 years of racing experience with state-of-the-art manufacturing, technology and materials. Designed especially for MINI, this exhilarating range of racetrack inspired add-ons is synonymous with performance and designed to set pulses racing.

The John Cooper Works Pro Tuning Kit and Exhaust enhances power, while the range of exterior accessories will give your MINI that visible racing edge. MINI Trackstar and the MINI Car Care range will make sure your MINI gets maximum protection, too.

Speak to your local MINI Centre to see how the John Cooper Works Pro MINI KIT range can help you bring the racetrack to the road.

JOHN COOPER WORKS PRO AEROKIT.

ENHANCED POWER AND PERFORMANCE.

The John Cooper Works Pro Aerokit* makes the already sporty MINI Cooper S 3-door Hatch with Sports Pack and JCW models even more thrilling. Features such as the front splitters and rear diffuser visibly amplify the model's power, not only enhancing appearance, but optimising its aerodynamics for an awe-inspiring racing experience.

Available for the MINI Cooper S 3-door Hatch with Sports Pack and JCW Hatch models. Aerokit without Add-ons for rear spoiler available for the new MINI Convertible with Sports Pack. Aerokit without rear components available for MINI One and Cooper with Sports Pack.

JOHN COOPER WORKS PRO TUNING KIT AND EXHAUST.

AT THE FLICK OF A SWITCH.

The JCW Pro Tuning Kit and Exhaust for the MINI Cooper S 3-door and 5-door Hatch bring the John Cooper Works racing heritage to life. The optimised engine update improves responsiveness and boosts the standard engine's performance to 210hp, while the perfectly-tuned valve silencer (Bluetooth® 4.0-controlled) intensifies your MINI's sporty sound characteristics. There are two valve silencer modes to choose from:

- Track mode* – designed for use on the racetrack only, delivers no-holds-barred responsiveness and sports acoustics
- Sport mode – delivers a sportier than normal sound and drive, but with some residual comfort, aimed for more understated sports use on the road

PERFORMANCE VALUES OF THE MINI COOPER S WITH JOHN COOPER WORKS PRO TUNING KIT.

*'Track Mode' is for use on racetracks only.
The activation of 'Track Mode' is not permitted on public roads in the UK.

ACCESSORISE YOUR MINI, WITH MINI FINANCE.

Why not add those MINI accessories you would really like, with a MINI accessory loan that covers whatever MINI KIT takes your fancy. You could be looking at alloy wheels, styling kits or graphics. You'll be surprised at how affordable they can be with low monthly payments from MINI Financial Services.

You can spread the cost of your accessories over 12 to 60 months, borrow anything from £750 to £10,000, and have fixed monthly payments from start to finish, making it easy to budget for those added extras. Why not make a big statement on the road and get a quote from your MINI Centre today?

Representative Example for a MINI John Cooper Works Pro Tuning Kit.

MINI TRACKSTAR AND TRACKSTAR ADVANCE.

KEEP IT SAFE WITH MINI TRACKSTAR.

Keep your car safe and sound with MINI Trackstar, the only MINI-approved stolen vehicle recovery product that utilises GPS (Global Positioning Satellite), GSM (Global Systems for Mobile Communications) and an integrated motion detector.

If your MINI goes missing, the Trackstar Control Centre can reunite you with your MINI in as little as eight minutes, so you can have complete peace of mind.

MINI TRACKSTAR CAT 6.

As soon as you switch the engine off, MINI Trackstar switches itself on. Using state-of-the-art satellite technology, it sends a signal to the Trackstar Control Centre every 20 seconds – data which can be used by the Police to help get your MINI back.

65 12 2 158 656

MINI TRACKSTAR CAT 6 ADVANCE.

The latest product in the range, Trackstar Advance, provides an even greater level of theft prevention. A key tag – connected to the in-car system – is needed as well as your usual car key. This recognises you as the owner, allowing your MINI to start.

65 12 2 360 357

ORIGINAL MINI ENGINE OIL.

TUNED TO PERFECTION.

Your MINI has more to offer than just a stylish exterior, so why not unlock its full potential with MINI Engine Oils? Our new generation of oils has been developed to ensure your car's high-performance engine stays in shape for a long time to come.

If you have a MINI tlc servicing package – which entitles you to servicing for 5 years or 50,000 miles – we'll always use MINI Original Engine Oil along with a range of Genuine MINI Parts.

Suitable for all MINI diesel engines with or without a particulate filter and all MINI petrol engines.

LONGLIFE-04, SAE 0W-30 ENGINE OIL.

Compared to conventional engine oils, this oil exhibits better viscosity properties, reduced friction and minimised propensity for evaporation.

Overall it offers constant performance and good wear protection.

LONGLIFE-04, SAE 5W-30 ENGINE OIL.

Based on synthetic technology engine oil, this MINI Original Engine Oil keeps critical engine parts clean and provides high engine performance and protection.

All specifications in this document are correct at time of production and may change without notice. A visit to your MINI Centre is the best way to keep up to date. 03/2016.
